## BUSINESS REASONS

- Expand our theme and mechanic portfolio.
- Identifying a strong market demand or trend in the market for collect and pot themed slot games, we have added them all to this exciting new theme.
- This game is action packed, with multiple features packed into this single slot, with great winnings and an exciting story line, the players are set to love it.
- Players love collect features and pots even more. Therefore, we thought this was the correct feature to build upon, bringing in the opportunity include them under one title, with multiple other twists and turns along the way.
- To bring something different to the cartoon genre of slots, we wanted to have a different colour palette. With the staple PearFiction vibe mixed with the classic Science/Space theme.
